Aunt Jane and Rear Guard Also Won—Only One More Day at Guttenburg.

GUTTENBURG RACE TRACK, April 11.

This was the last day but one at the Guttenburg track, and the pleasant weather induced a large crowd to come out and enjoy the sport.

The crowd will welcome the change to Elizabeth. Six months of travel on the little "sewing machine" railroad that conveys passengers to the track from the Weehawken ferry would turn the strongest stomach. It becomes monotonous to visit the same track day after day, for a long period.

The meeting will wind up to-morrow in grand style. Secretary Whitehead announces an extra line card, and Eckert's band will play popular music during the afternoon.

Invitations were issued this afternoon for the closing exercises at the night school at the track. Premiums will be awarded to pupils and an attractive program will be arranged by Principal Demarest.

The opening event to-day was a dash of five and one-half furlongs, and the lottery lot of mugs entered would not bring anything at auction except for sausages purposes. Spenderdale was favorite, but the best he could do was second. Macauley, with the famous induction in him, led almost from the start and won fanned out by a length. The favorite had a close call to beat Rounce and Warpenke, only beating them heads.

Paying Teller, the favorite in the second race, won but his victory was solely due to McDermott's splendid riding. He came from seventh place in the stretch and by dint of the hardest kind of riding pulled Kanawha leading a 12 to 1 shot, who had been making noise to visit the post. Eugene may have been.

Shander, Dr. Wilcox, Bon Three, Aunt Jane and their relatives were strongly played in the first race. When the race started by the neatly at the post, and the teller left with his length behind his field.

He made up enough ground to give his supporters a thrill, but did not know that he would have won if he had not a good start. Aunt Jane at 5 to 1 beat Bon Three a head in a pretty finish. Wilcox was third.

Second race—For beaten horses; selling allowances; one and one-half furlongs.
